

_ga	2 Jahre	youtube.com	This cookie name is associated with Google Universal Analytics - which is a significant update to Google's more commonly used analytics service. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports. By default it is set to expire after 2 years, although this is customisable by website owners. The main purpose of this cookie is: Performance
_gid	24 Stunden	youtube.com	This cookie name is associated with Google Universal Analytics. This appears to be a new cookie and as of Spring 2017 no information is available from Google. It appears to store and update a unique value for each page visited. The main purpose of this cookie is: Performance
NID	6 Monate	youtube.com	Google uses cookies like NID and SID to help customise adverts on Google properties, such as Google Search. For example, we use such cookies to remember your most recent searches, your previous interactions with an advertiser's adverts or search results and your visits to an advertiser's website. This helps us to show you customised adverts on Google.
